Dr. Mihaela Lefter

FRACS, EBOPRAS

Plastic, Reconstructive & Aesthetic Surgeon

Introducing Dr. Mihaela Lefter

Dr Mihaela Lefter is a Plastic, Reconstructive and Aesthetic Surgeon who is currently available to treat your patients.

Dr Mihaela Lefter graduated from “Gr T Popa” University of Medicine, Iasi, Romania in 1996 and completed her Plastic, Reconstructive and Aesthetic Surgery training at “Claude Bernard” University Lyon, France. Dr Lefter also successfully completed a fellowship at Showa University Tokyo, Japan in Craniofacial surgery and Microsurgery Reconstruction, gaining skills and expertise in the Asian approach to plastic surgery and the Japanese culture.

Dr Lefter obtained her EBOPRAS (European Board in Plastic Reconstructive Aesthetic Surgery) fellowship in Bern, Switzerland 2002. Her experience in Japan brought her the chance to discover Australasia and to relocate years later to Australia.

Dr Lefter came to Australia in 2004 and received her FRACS qualification in Plastic Surgery. Starting out in Hobart in both the public and private sectors, Dr Lefter relocated to the Central Coast in 2011 and has been appointed as VMO Plastic Surgeon by Central Coast Health Area Services. She consults public patients at Central Coast Specialist Centre at Gosford District Hospital. She consults and operates on private patients at Brisbane Waters Private Hospital.

Dr Lefter's area of expertise covers a large variety of procedures in Plastic, Reconstructive and Aesthetic Surgery.

Dr Lefter's areas of special interest include:

- Breast surgery for reconstruction and reduction/ augmentation
- Body contouring
- Liposuction
- Facial rejuvenation
- Fat injections
- Blepharoplasty
- Hair transplants
- Rhinoplasty
